

BRENT G. SEITZ

PRINCIPAL / DETROIT METRO OFFICE

Brent works closely with in-house counsel, foreign attorneys and sole inventors to protect and manage their intellectual property assets. Always mindful of the cost pressures that clients face, Brent focuses on developing strategies for achieving client goals in the most cost-efficient manner possible.

Having secured hundreds of patents for clients, Brent has the experience necessary to help clients identify their patentable inventions, draft patent applications for those inventions, and obtain patent protection in the United States and throughout the world. He also counsels clients regarding freedom-to-practice, patent validity and infringement issues. He works with clients in a wide range of industries, such as the automotive, medical device, biotech and aerospace industries.
